

1st Whonnock Beavers News

MAY 2006

We were saddened to hear that the seniors at Creekside Manor came down with the flu epidemic. We wish them all a speed recovery. We hope to visit with them another time.

I'm sure you all had a great time at The Knights of the Roundtable Sleepover. The beavers had great ideas for decorating their whole costumes. The time went by so quickly. I would like to thank all those that helped to make it such a great

success. We would like to thank our guests the Terrascholar group for sharing this special time with us. We loved the company. Our program touched base on both the religious and pagan idealism of Easter. The beavers took great pride in making their Stained Glass Candle Holder, as with the delight they took in making their Easter Bunny Baskets. Thank-you to Poly-Con Industries for the plastic containers.

Finally, the store has come and gone. We all enjoyed cashing in our Beaver Bucks for trinkets, treats & free smiles.

The weather held out for the campfire. We all enjoyed singing songs, cheers, and listening to a few skits.

Last event for the month was our tour to Trice Farms. A special thank-you to MaryAnn for a truly magical experience. It was an excellent activity for Earth Day and very educational.

Due to mutual agreement we will be ending our program earlier rather than later. May 31 will be our last meeting. We will have our picnic that evening. All family members are welcome. We will also have our White Tail Beavers swim up to Cubs.

We have started preparing for next years program. If you have any suggestions or ideas that you would like to see implimented next year, please call or send me a line.

Tell all your friends

We will be holding an early registration night on May 17/06. All those wishing to be a part of the 1st Whonnock Group please pre-register on this evening. We hope to have Beavers, Cubs, and Scout sections happening in September.
