Fall 2018

ALL CANDIDATES MEETING

The Whonnock Community Association will be hosting an All Candidates Meeting at Whonnock Lake Centre, Thursday, Oct 11 at 7:00 pm. Because of the large number of candidates, 25 in total we felt that a standard format of a moderated debate would not work as it could take hours to get just a few questions answered. This will be a casual, open house type meeting where community members can greet and meet with the candidates, asking questions directly. We hope to see you there.

Following is a current list of candidates.

Mayor: BLAMEY, Douglas; DAYKIN, Ernie; MORDEN, Mike; SHIELDS, Mike; SPEIRS, Craig.

Councillor: BOSSLEY, Chris; CARR, Susan; DOZIE, Onyeka; DUECK, Judy; DUNCAN, Kiersten; HAYNER, Mike; HEGEDUS, Andrew; JOHAR, Bhupinder; JOSE, Lou; KENNEDY, Terry; KRONEBUSCH, Rysa; MEADUS, Chelsa; MITCHELL, Don; O'BRIAN, Chris; PENNYKID, Rick; POZSAR, Andrew; PRIEBE, Kevin; ROBBIE, Al; ROBSON, Gordy; SCHAFFRICK, Glenn; SVENDSEN, Ryan; TAM, Peter; TAYLOR, Elizabeth; TUZZI, Michael; YOUSEF, Ahmed.

School Trustee: BAILEY, Mark; DUMORE, Kim; HORNSEY, Robert; MCCALLUM, Gord; MURRAY, Mike; RUBENUIK, Brenda; SHAW, Pascale; TRUDEAU, Colette; YAMAMOTO, Elaine.

A WORD FROM THE PRESIDENT

There are always major players in smaller organizations and the Whonnock Community Association has just lost our VP, Phil Johnson. Since the planning stages of Whonnock Lake Centre in 1983 Phil always put the community association first, contributing and helping with all aspects of the association. His dedication to Whonnock and the WCA will be missed and is very hard to replace. Good luck in Princeton, Phil.

Tom Brent has also left us to move on to enjoy retirement on Texada Island. You will also be missed, Tom. Thank you for your hard work and participation. The Remembrance Day services were a cut above and we will do our best to continue your legacy.

As our core group diminishes, I am optimistic for new volunteers to sign on as we only meet 9 times a year and provide support for many groups in Whonnock. We hope your personal interests will draw you out to one of our meetings. Our largest function is the Volunteer Appreciation Dinner, which was well attended this spring. We recognized Al and Fran Norman, longtime Whonnock residents, for all their work over the years, especially for the Thornhill Community Hall. We also awarded Fred and Helmi Braches a special award in thanks for their many years of volunteer work for the association which they continue to this day.

Whonnock Lake Centre is available to the WCA for New Year's Eve and we would support any group that would like to have a dance as a fundraiser or community get-together.

My family enjoyed the Picnic in the Park at Whonnock Lake this summer. For a first-time event we had a nice turnout and hopefully next summer we can double the participation. Thank you to Jean Davidson for organizing this event.

Coffee house events and musical performances are also being planned. Please check our website, whonnock.ca, for more information and of course our biannual newsletter *Whonnock News*.

Attend something in the area and meet your neighbours.

ONE BOOK WHONNOCK

Still time to sign up for our new reading project: *Stone Mattress* by Margaret Atwood – “a collection of nine acerbic, mischievous, gulpable stories” that you will enjoy. We are looking at a January 2019 date to discuss the book. For more information or to sign up please contact Helmi Braches at books@whonnock.ca or 604-462-8942).

WHONNOCK COMMUNITY ASSOCIATION FACEBOOK PAGE

Anyone interested in setting up and running a facebook page for The Whonnock Community Association?

We currently have a Web site and a blog and we are certainly not opposed to a Facebook page, we just do not have someone willing and able to take the job on.

If there is some eager Whonnockian out there who would like to try, we would love to hear from you.

WHONNOCK PUMP HOUSE SIGN

I am sure everyone has noticed the electronic sign on the pump house is sadly out of date and therefore irrelevant.

We are in need of a volunteer who would like to be in charge of the electronic sign board.

It is run by a controller you can operate from your car at the site of the pump house. Time commitment is minimal – one or two times a month with a couple of busier months.

Some electronic or techie leanings would be ideal.

Please contact Noreen at 604 992 8557 for more details.

THORNHILL AQUIFER PROTECTION STUDY

TAPS (Thornhill Aquifer Protection Study) members have completed their 13th year of water testing and well measurement record keeping.

Well measurements for drilled wells have been consistent in the first half of the year, but some shallow wells ran out of water much earlier than previous years. A licensed well on a spring that has serviced two residences, cattle and gardens ran down to a trickle after 45 years. They have had to drill a new well.

It is apparent that our climate is changing, with longer periods of no precipitation, higher and sustained summer temperatures, rain falling all at once without gentle drizzles. This does not allow the water to penetrate the ground gradually, but instead flow over the ground and away. This kind of precipitation does not recharge our groundwater as effectively.

More impervious areas are created with increased development and the rain is not being captured and restored into the ground.

The Ministry of Forests, Lands and Natural Resource Operations received permission from the City to drill a nested observation well in the late fall. It will be located in Whonnock. The nested well will capture water level information from both a shallow and deep well created from the same borehole.

The information gathered from this site will also form part of the public record that is available online. We are very pleased with this.

This is the second observation well on the Grant Hill Aquifer this year. TAPS requested the Ministry of Forests, Lands and Natural Resource Operations to provide Tantalus's Water Consumption records.

Tantalus was to provide these records annually as one condition of their Conditional Water License. The Ministry informed us that Tantalus had not submitted their records and that they were six months overdue.

No one from the Ministry had kept track. A Compliance Officer did obtain the records, but we are told that the Ministry will not provide this information to us without a formal request through the Freedom of Information process.

The Ministry would not provide information regarding the breach of their license nor would they give any information regarding consequences for Tantalus regarding this breach.

The residents who share this aquifer with Tantalus have reason to be concerned about Tantalus's water consumption.

Tantalus's water requirements from this aquifer and the Ministry's lack of due diligence over this very important matter presents a problem for all of us who rely on it for our daily needs.

TAPS will make inquiries through the freedom of information process. We have also requested assistance to acquire this information through the Environmental Advisory Committee and Council.

We cannot stress enough that keeping water level records through the years is critical. The aquifer will benefit and reward us all if we practice a little of our own personal stewardship towards it.

THORNHILL COMMUNITY HALL

The Thornhill Community Hall received a facelift this summer. The volunteers who support and manage the Hall put in a few long days cleaning and painting the interior of hall. All the walls and moulding were given a fresh coat of paint.

We have a new Web site with the help of our web designer Pascal Bouchard and photographer Emi Uchida. You can view it at <thornhillhall.ca>.

Please take the time to view the website as it is full of valuable information for those who are thinking of renting one of the last 'real' Community Halls which is maintained and rented by volunteers in our community.

The Hall continues to enjoy steady rentals throughout the year. It has hosted birthday and anniversary parties, celebrations of life, meetings, dances, and fund-raisers. All the monies raised are used to maintain the hall.

We hope the community will continue to support this hall as it has been the place where many wonderful memories have been made.
