

PITT MEADOWS PADDLING CLUB

The Pitt Meadows Paddling Club is a new not for profit society that is promoting fun and fitness for youth in our community. Programs will also be available for adult participation in recreational or competitive areas.

PMPC is initially offering the sport of dragon boat and war canoe paddling to the communities of Maple Ridge, Pitt Meadows and Port Coquitlam. This will be offered on the lower Alouette River near Harris Road.

Through the process of offering big boat training and fun to a large number of participants PMPC hopes to soon be able to offer diverse small boat training to its members. This year, we have a 6 month program set up but the option to make it a year round operation is available and feasible.

The initial big boats (2 dragon boats and 1 War canoe) have been leased to the club for a nominal fee for this year and it is assumed that this agreement will remain in place until the club has established itself further.

Please visit the website www.dragonboatswest.ca, see what is offered and add it to your favourites file. Over the next few weeks the programs and fees will be reviewed and added to the webpage.

If you have a group that would like to try this sport, Phone 604-465-3600 and leave a message or email the club pmpc@dragonboatswest.ca and we will accommodate you.
