March – April 07

Hi Everyone!

Well Spring is just around the corner and we are all looking forward to getting into the outdoors, longer days, and hopefully some sunshine after all the miserable wet days.

Kub Kars and 1st Aid Camp have come and gone. It's great to see some of you really used your imagination. Congratulations to our Cubs – Isaac Van Buskirk for winning the original design award and Emmett Lazarowich for getting a perfect score on the 1st Aid exam.

We had to make two attempts for Snowday at **Hemlock** this year. Only a few made it up the first time as not all of us had chains!!! Overall both days ended up being a lot of fun for all.

Thank-you to everyone at **Ridge Meadows Search & Rescue** for the tour and teaching us about Hug a Tree.

Our **Pot Luck Dinner** was a great success this year. The youth all made it so special with their little skits. Most love to entertain and are really great at doing so.

Please keep a close eye on our coming events as there will be many times where we are not at the lodge during the next couple of months.

Remember

Attendance: Very important to attend every meeting. Should you miss a week, ask your Sixer

what you missed. Remember you are part of a team and your sixes need you!

Uniforms: Full uniforms must be worn to every meeting and worn properly. When inspection is done you don't want to let your sixes down.

Dues: Your Sixer will collect your \$ 1.00 due each week. **Please keep your account up to date.**
